## Welcome remarks

I would like to welcome each one of you to the “1st International and Interdisciplinary Conference on Spatial Methods for Urban Sustainability” (SMUS Conference) hosted by the University of Botswana in Gaborone, Botswana. This conference is the first conference organized by the Global Center of Spatial Methods for Urban Sustainability (GCSMUS) based in TU Berlin, Germany in cooperation with the University of Botswana through the Department of Sociology. SMUS Conference Botswana provides a platform for scholars to interact with methodologists from various disciplines around the world and to deepen discussions with researchers from diverse methodological perspectives.

Given the current challenge of the COVID-19 pandemic, the conference will convene entirely online. This will be three exciting days of networking, knowledge building and sharing and as such I urge everyone to actively participate in all the activities and discussions throughout the conference. Wishing everyone a successful, safe, and fruitful conference.

My personal respect and thanks to all of you.

Professor Gabriel Faimau

GCSMUS Lead Partner, Steering Committee Member, and Action Speaker

University of Botswana, Department of Sociology

## 1. Overview of the technical requirements

- Zoom

SMUS Conference Botswana will be hosted through Zoom application. Please note that you are required to be connected to the internet throughout the conference to be able to participate in all the conference event procedures (speeches and parallel sessions). The zoom application can be accessed or downloaded at <https://zoom.us/download>.

Once you have the application installed in your computer or gadget and you are ready to launch the application from your preferred web browser, simply click on the provided links for the meetings/ webinars and enter the meeting/ webinar ID and passcode to join the conference. These details (webinar and meeting links, meeting ID's and passcodes) will be sent in advance through email. Please ensure to use the meeting/webinar link, meeting/webinar ID's and passcodes as they appear in the invitation from the emails sent to you. For more details on how to use Zoom to participate during the conference, you can access the **technical guide** [HERE](#).

### Technical Support Contact details

Make sure to contact our technical support team via email at [mosianek@ub.ac.bw](mailto:mosianek@ub.ac.bw) for any clarifications, enquiries, and advice.

WhatsApp Helpline: **+267 75584767** (to be contacted only during conference days).

## 2. Conference event procedures

### ○ Speeches

This will be offered as a webinar event where only the speakers or presenters can be seen and heard. Participants are not able to participate through audio or video. To make the most of the limited time available for discussion, questions can only be asked using the chat feature (located in the bottom bar of the Zoom interface). The speeches will feature dignitaries and keynote addresses, opening lectures by GCSMUS Directors and Lead Partners.

### ○ Parallel Sessions

The parallel sessions (occurring at the same time) are designed as zoom meetings. Sessions are divided according to streams from stream A up to stream D. Various papers will be presented (facilitated by session organizers) and discussed with each presenter given 15 -20 minutes to present as well as an allowance for questions and comments within the given minutes. Here, participation is also possible through requests to speak (video and/or audio) and chat in the chat box (located in the bottom bar of the Zoom interface).

**N.B.** All the time refer to the Central African **Time (CAT) zone**. Please find the link for time zone converter [HERE](#).

**N.B.** All the presentations will be in English.
